### NEW SECTION FOR GRADE-I

**Dear Parent,**

Greetings for the day!

The school is thrilled to announce the formation of a new **Section**, for the students of Grade-I. This development reflects our commitment to providing a nurturing and personalized learning environment for all our young learners.

With the addition of new section, smaller class sizes will be ensured, allowing our dedicated teachers to customize their instructions to meet the individual needs and learning styles of each student, fostering a more engaging and effective learning experience for everyone.

We understand your concerns regarding the placement of your child in a new section. Please be assured that the student placement has been carefully considered to ensure a fair distribution across all sections. All the factors such as ratio of girls and boys, equal house distribution, old and new students have been taken into account to create balanced and inclusive classrooms.

Further details about the student's placement in the new Section and answers to any questions you may have, will be provided soon. A detailed class list will be shared with you shortly.

You may reach out to the school administration at **9820347662**, for any query.

This new development will significantly enhance the learning experience for all Grade 1 students.

Looking forward to a successful and enriching school year!

Thanks & Regards

**Head Mistress  
Primary Wing**
